

Position Overview

Inspector - Quality Controller

CIF Métal Ltée stands as a North American leader in permanent aluminum casting. With two facilities situated in Thetford Mines and a workforce exceeding 160 employees, the company is recognized for its esteemed global clientele.

CIF Métal Ltée is undergoing consistent and rapid growth, providing a highly dynamic work environment. In light of the ambitious growth challenges that lie ahead, we are in search of a candidate to assume the role of Inspector - Quality Controller.

Reporting to the Finishing, Machining, and Shipping Supervisor, you will have the opportunity to excel in a dynamic role and contribute to the company's success through the following responsibilities:

- Conduct visual and dimensional inspections of the components.
- Ensure adherence to factory protocols and directives.
- Identify any observed non-conformities and engage in the corrective process.
- Verify product compliance prior to shipment.
- Authorize the product for dispatch.
- Prepare reports (production, quality, and others)

Requirements

- 0-2 years of inspection experience
- Experience with digital measurement tools is an asset.
- Self-sufficient and accountable
- Capacity to endure pressure
- Excellent strength and physical endurance
- Strong analytical skills and effective problem-solving capabilities
- Analytical skills and the capacity to resolve complex issues.
- Significance of initiatives

The benefits of employment at CIF Métal:

- A comprehensive array of employee benefits, including group insurance and a registered retirement savings plan (RRSP) with employer contributions;
- Collaborative and team-focused work environment;
- The availability of management members, who consistently demonstrate attentiveness and receptiveness to employee suggestions;
- Social engagements, training sessions, and various other activities.

Kindly submit your CV to the Human Resources team at rh@cifmetal.com or visit us in person at 1760 Setlakwe, Thetford Mines.
