

## Position Overview

# Welder

**CIF Métal Ltée stands as a North American leader in permanent aluminum casting. With two facilities situated in Thetford Mines and a workforce exceeding 160 employees, the company is recognized for its esteemed global clientele.**

**CIF Métal Ltée is undergoing consistent and rapid growth, providing a highly dynamic work environment. With ambitious growth challenges on the horizon, we are in search of a candidate to assume the role of Colour Foundry Operator.**

Under the guidance of the Finishing Supervisor, you will have the opportunity to excel in a dynamic role and contribute to the company's success through the following responsibilities:

- Repairing cast components with weld "fragments"
- MIG and TIG welding techniques
- Execute the comprehensive preparation and welding of all components in accordance with the specified requirements.
- Conduct the cleaning of the welders.
- Organize your workstation.
- When necessary, execute the responsibilities of the finishing operator.
- Sanitize your workstation.
- Document information pertaining to work orders and production reports.
- Comply with the organization's health and safety regulations.

### Requirements

- Expertise and training in welding - a valuable asset
- Attention to detail - precision
- Excellent observational abilities
- Excellent manual dexterity
- Strong aptitude for learning
- To adhere to production standards
- Integrate with the team and exhibit collaboration.
- Collaborating with individuals from diverse cultural or linguistic backgrounds

### The benefits of employment at CIF Métal:

- A comprehensive array of employee benefits, including group insurance and a registered retirement savings plan (RRSP) with employer contributions;
- Collaborative and team-focused work environment;
- The availability of management members, who consistently demonstrate attentiveness and receptiveness to employee suggestions;
- Social engagements, training sessions, and various other activities.
